LEARNING OBJECTIVES:
The program is a two day meeting for surgeons who focus on the treatment of medical conditions affecting the pediatric spine. The program will include a live moderated surgery observation, a series of didactic lectures, case presentations, and discussions with a faculty of industry leading surgeons. This program also offers hands-on bioskills labs, featuring techniques utilizing Zimmer Biomet spine products.

AGENDA:
Friday, April 15
• Welcome and Course Objectives
• Section I: Pediatric Deformity - Decision Making
• Section II: Case Presentations and Group Discussion
• Section III: Lectures - Pediatric Correction Techniques
• Section IV: Live Surgery Observation: Pediatric Deformity AIS Case
• Section V: Lectures - Pediatric Deformity Correction Techniques II
• Section VI: Faculty Case Presentation
• Section VII: Dinner - Keynote Speaker

Saturday, April 16
• Section VIII: Technical Guidance - Osteotomies, Sacral and Iliac Screws, and Derotation
• Section IX: Faculty Case Presentations - The Younger, Smaller Stature Patient
• Section X: Hands-On Skills Lab - Osteotomy, Derotation, and Sacropelvic Fixation Techniques

For registration and questions, please contact your local Zimmer Biomet spine sales representative.

Note: This course is not CME accredited. Surgeon faculty is subject to change.

Sunshine Act In-Kind Payment Reporting: Zimmer Biomet is obligated to report to government agencies certain transfers of value made to meeting participants. These may include, but are not limited to airfare, hotel and meal costs. For all healthcare professionals that maintain a license in Vermont and wish to participate in any meals, Zimmer Biomet will require a signed Zimmer Biomet Institute Agreement Form. This form can be found at the On-site Registration. Zimmer Biomet is not permitted to cover meal costs in conjunction with this meeting if the VT license attendee has not signed the Zimmer Institute Agreement Form.
